

Katrina Hon '22

Concentration:
Neuroscience (MBB) |
Secondary: Psychology)

Katrina is a junior in Winthrop House concentrating in Neuroscience on the Mind, Brain, and Behavior track with a secondary in Psychology. She is originally from Middlebury, Connecticut, and is so excited to be a part of YLC this year. Katrina is very passionate about empowering youth to make social change through encouraging leadership and communication. At school, she is involved in the Harvard Undergraduate Research Association, Harvard VISION Global Health Society, and Harvard Red Cross. In her free time, she enjoys listening to music, traveling, and trying new foods.
