Seema Sali

A multi-faceted and multi-talented individual, who is passionate about work and life. She believes that in life one should experience the variety and learn as much as possible by experimenting and taking risks. In every game, the fun is in playing and not just sitting on the edge and being a spectator. Her 33 years long career is a living example of this tenet. If this is mixed with spirituality, faith, culture, and heritage, the journey becomes a joyous ride.
