Welcome to Yale MUN X GD Goenka!

Dear delegates, diplomats, and changemakers,

We are thrilled to have the opportunity to welcome you to the YMUN x GD Goenka conference, to take place on the beautiful campus of GD Goenka World School in Gurgaon from November 29th to December 1st, 2024.

It has been a longtime vision of the Yale Model United Nations to bring the Model United Nations experience to South Asia—and we could not be more thrilled to invite around 500 driven, knowledgeable, passionate delegates from the GD Goenka Schools to partake in three exciting days of dialogue and diplomacy this winter. Our conference will boast a number of unique committees—similar only in their delegates’ shared commitment to inclusive and innovative policymaking. The Secretariat aspires to make the YMUN x GD Goenka Conference the best experience of a MUN conference that delegates have had to date. With a number of diverse committees catering to multiple areas of interests and levels of experience, we aim to create an enriching environment where all delegates, regardless of their background in MUN, will engage in highly intellectual and stimulating debates.

This is the vision of YMUN x GD Goenka. To bring together some of the world’s most intelligent and imaginative young minds in hopes of taking on the planet’s most pressing challenges. I hope that many of you will not feel daunted by such a lofty task, but rather inspired. Over the three days of our conference, you will be pushed far outside of your comfort zone: asked to tackle unfamiliar, challenging topics from unfamiliar, challenging perspectives.

It won’t be easy, but we promise it will be rewarding. In return, we are confident you’ll build long-lasting connections, advance your understanding of international relations and global affairs, and, most importantly, hone skills of becoming the next generation of world leaders.

See you in November!
