

The Ivy Leadership Workshop

Grades 8-12

R | BIG RED
EDUCATION

BEYOND THE CLASSROOM

WORKSHOP OVERVIEW

Developing Leadership & Influence

The The Ivy Leadership Workshop empowers students with essential leadership skills through **case studies, interactive sessions**, and guided exercises. Participants will explore key leadership qualities, **personal charisma, and design thinking** to tackle challenges innovatively. Whether experienced or new to leadership, this workshop provides the tools to grow and **make an impact**.

Entrepreneurship & Real-World Application

Students will dive into **entrepreneurship**, learning the **fundamentals of purpose, planning, pitching, and publicity**. Through case studies and brainstorming sessions, they will discover how leadership and innovation intersect. The workshop concludes with a showcase of selected ideas, guiding participants on integrating leadership into their personal and professional journeys.

THE CURRICULUM

KNOW YOUR MENTOR

Maya grew up in Singapore, where she graduated as the country's top student before earning a fully funded scholarship to Cornell University. She double-majored in Economics and Political Science, graduating with top honors. With experience spanning three continents in finance, marketing, and educational consulting, she discovered her true passion for mentoring students. As a former **Cornell Admissions Officer**, Maya has worked with students from over 14 countries, guiding them in candidacy building and extracurricular pursuits. Her mentees have secured admissions to prestigious institutions, including **Harvard, Yale, Cornell, UPenn, UChicago, and more.**

Maya has successfully led a team of consultants, using her deep insights and strategic approach to help students gain admission to their dream schools. Now, as the **Director of Student Innovation**, she is eager to leverage her expertise to empower students, helping them make a meaningful impact and achieve their academic and professional goals.
