BEYOND THE CLASSROOM.

Leadership & Social Innovation Conference

Dehradun Summer 2025

Grades 8-12

In partnership with:

Initiative on
Purpose and
Flourishing

CONFERENCE OVERVIEW

This program is a dynamic initiative designed to equip aspiring **social innovators** and **entrepreneurs** with essential skills for driving meaningful change, particularly aligned with the **UN Sustainable Development Goals** (SDGs).

Starting with a foundation in **design thinking** and **innovation methodologies**, participants will learn to define their vision for change, identify key challenges, and develop actionable strategies. Core sessions will focus on the principles of **social impact design, problem-solving** techniques, and creative ideation. Advanced modules will delve deeper into sustainable development strategies, stakeholder engagement, and **systems thinking**.

The program emphasizes **practical application**, offering **hands-on projects** and **collaboration** opportunities. Participants will also benefit from guidance on creating impactful solutions, pitching ideas, and launching initiatives. By the end of the program, attendees will be equipped with the tools and confidence to turn their visions into impactful, sustainable innovations.

Start Your Journey NOW!

CONFERENCE DETAILS

Students get a **Completion Certificate from NYU Stern**, signed by the Mentor.

Opportunity to get a **Letter of Recommendation** from the Mentor

3rd - 7th June 2025
9am - 3pm IST

The Doon School, **Dehradun**

Grades 8-12

INR 1,30,000 (All incl.)

Deadline:
5th May 2025

EXPERIENCE THE DOON LIFE!

Step into a world where leadership isn't just taught—it's lived. The Leadership & Social Innovation Conference at The Doon School is more than just a program; it's a residential adventure that challenges you, inspires you, and immerses you in the true essence of boarding life.

You'll live, learn, and engage in activities that make The Doon experience truly one-of-a-kind.

Movie Night:

After a day of learning and collaboration, unwind with a cozy movie night! Grab some popcorn, relax with friends, and enjoy a film that sparks thought, laughter, and great conversations!

Swimming

After a dynamic conference day, students can recharge with basketball, football, or swimming—blending recreation, teamwork, and the true Doon Life experience.

Farewell Under the Stars

End your conference experience with a memorable farewell! Enjoy an outdoor buffet, live music, and a jam session with guitars and bongos. Bond over games like dumb charades and antakshari, celebrating friendships and unforgettable moments.

MODULE 1: SETTING THE FOUNDATION

- **Community Building:** Create connections in a collaborative and inspiring environment.
- **Creativity Warm-Up (Late Nite Art):** Fun exercises to unlock innovative thinking and teamwork.
- **Introduction to UN SDGs:** Explore global challenges and how they intersect with your interests.
- **Localizing SDGs:** Brainstorm local solutions for global issues.
- **Introduction to Design Thinking & Sprint:** A user-centered approach to problem-solving.
- **Final Project Definition:** Identify your focus and set the vision for your impact journey.

THE CURRICULUM

MODULE 2: LEADERSHIP THEORY X PRACTICE

- **Strengths-Based Leadership:** Uncover your unique strengths and learn to lead authentically.
- **Adaptive Leadership:** Understand models for navigating complex challenges and resolving conflicts.
- **Designing for Behavioral Change:** Learn the factors that influence behavior and apply them to drive impact.
- **Role-Play Negotiations:** Hands-on practice to refine your collaboration and communication skills.
- **Practical Wrap-Up:** Prepare to apply your leadership insights in real-world settings

THE CURRICULUM

MODULE 3: DEVELOPING THE INNOVATION

- **Designing for Social Change:** Gain a comprehensive overview of what it takes to create solutions that are impactful, sustainable, and scalable.
- **Primer on Innovation Development:** Learn the foundational steps to transform ideas into actionable projects.

THE CURRICULUM

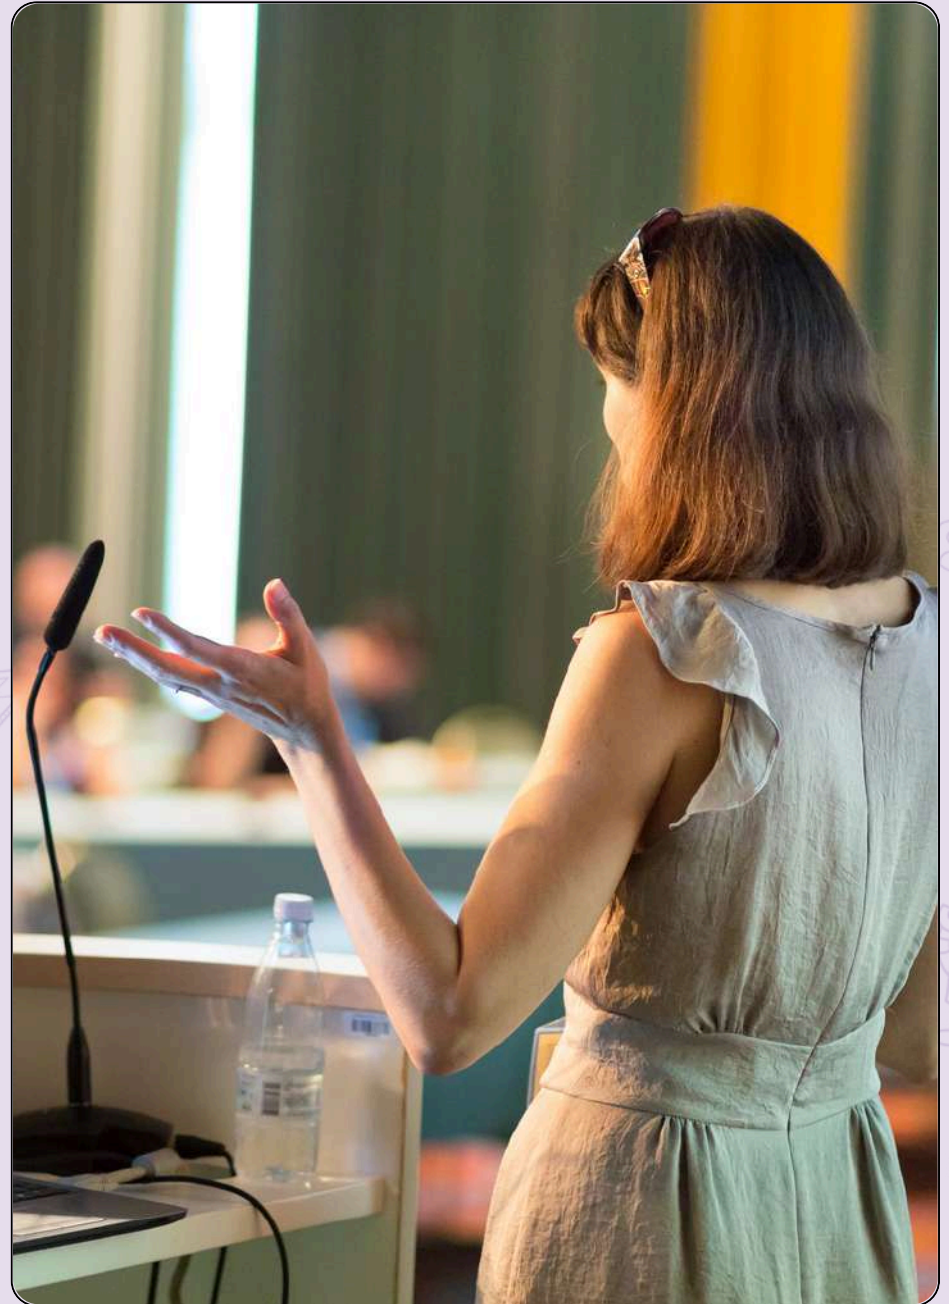

MODULE 4: CRAFTING IDEAS INTO PROTOTYPES

- **Empathy:** Research and interview to understand perspectives.
- **Define:** Clearly state the problem for focus.
- **Brainstorming:** Generate creative solutions.
- **Prototyping:** Build quick models to test ideas.
- **Work Time:** Refine and prepare prototypes.
- **Feedback:** Gather peer and mentor insights.
- **Impact Gaps:** Identify key areas for impact.
- **Social Change Models:** Explore growth frameworks.
- **End States:** Define long-term goals.

THE CURRICULUM

MODULE 5: FEEDBACK & CELEBRATION OF LEARNING

- **How to Pitch:** Learn how to craft a compelling narrative around your project and present it with confidence.
- **Work Time:** Finalize your pitch and polish your presentation with mentor guidance.
- **Pitch Presentations:** Present your ideas to a panel of experts, peers, and mentors, receiving actionable feedback.
- **Closing Celebration:** Reflect on your journey, celebrate your achievements, and connect with your cohort in a meaningful way.

KNOW YOUR MENTOR

Dustin Liu is a Taiwanese-American and proud New Yorker where he is the Senior Associate Director of the **NYU Stern** Initiative on Purpose and Flourishing (IPF). He leads the strategic direction of the organization, encouraging connections between research and practice, managing strategic partnerships, and overseeing the design and implementation of the Initiative's programming.

Most recently, Dustin was a Lecturer at **Stanford University** and was the Associate Director of the **Stanford Life Design Lab** where he taught the principles of design thinking and guided students as they develop their own answers to the tough questions in life, education, and vocation. He has previously held teaching and administrative positions at **Cornell University, Harvard University, The Massachusetts Institute of Technology and The University of Chicago.**

Dustin is most proud of the work where he can identify & share frameworks that make sense of disparate experiences, ideas, and domains.
